KEY INFORMATION

OUR STORY

Located in Sakhir, Beyon Al Dana Amphitheatre has established itself as a leading global entertainment destination, contributing to the Kingdom's economic growth and cementing its position as an essential entertainment hub.

The venue, which is carved from rock, is a remarkable feat of engineering built approximately 50ft into the ground of the spectacular Sakhir desert.

Beyon Al Dana Amphitheatre hosts a variety of indoor and outdoor international events through its wide array of event spaces to ignite the imagination of guests and artists alike, committed to creating magical moments and unforgettable memories for the region.

KEY INFORMATION

ARCHITECTURE

Beyon Al Dana Amphitheatre has the ability to delight and inspire audiences with its dramatic and complex design. Featuring an impressive 10,000 seat Theatre, construction of our remarkable venue first began in December 2018. Completed in June 2020, it took less than 2 years to bring our vision to life – an extraordinary feat we are extremely proud of!

- Depth: 50ft
- Rock and soil excavated:

250,000M³

- Concrete used: 140,000M³
- Construction works: 2,700
- Man-hours: 3.02 million

KEY INFORMATION

SUSTAINABILITY

Sustainability lies at the heart of Beyon Al Dana Amphitheatre, which has been designed and constructed to consume the lowest energy possible with recycled materials used throughout

• Raw materials such as concrete and recycled rubber flooring

• Corporate boxes are recycled shipping containers, and a substantial amount of the rock quarried from the site was recycled into key design elements

• Recycled and re-appropriated materials used in bathrooms and the Quarry Lounge, as well as the use of LED lighting throughout

• Materials and technologies have been chosen to complement the landscape-focused design theme

• The rock's acoustic qualities allow sound to disperse cleanly and predictably from the stage, giving a distinct, highly-quality sound

KEY INFORMATION

COMMUNITY

Beyon Al Dana Amphitheatre was built with the community in mind and has a long-term vision to support and promote home-grown talent. As well as hosting incredible international concerts with charttopping artists and private events in Bahrain, our venue can be used by the whole community.

Built on a long-standing cultural tradition of music appreciation, we believe entertainment has the power to bring people together, help us connect with one another and bring joy and vibrancy to a community. Look out for exciting and upcoming community events, as well as fun volunteering opportunities.

THE PLAZA

Situated at the venue's entrance, The Plaza is a vibrant and versatile outdoor space designed to enhance the guest experience. Fully customisable, it serves as a dynamic hub for pre-show entertainment, food vendors, brand activations, and social engagement.

As attendees enter after ticket scanning, they are welcomed by live performances tailored to the event; ranging from DJs and instrumentalists to themed flash mobs, creating an exciting atmosphere before the main show. A variety of food vendors are also available, offering a diverse selection of refreshments and dining options to enjoy before the performance.

The Plaza sets the stage for a memorable experience, ensuring every event begins with energy and anticipation.

THE THEATRE

Sculpted from the natural rock formations of Sakhir, our open-air theatre offers a unique setting where every seat draws you into the heart of the performance, with panoramic views from all angles.

Carved approximately 50 feet into the ground of the stunning Sakhir desert, the 10,000-capacity venue seamlessly integrates its natural surroundings with contemporary architectural excellence to offer both striking visuals and outstanding comfort.

With a wide array of indoor and outdoor spaces, Beyon Al Dana Amphitheatre hosts diverse international productions, sparking creativity in artists and creating exceptional experiences for audiences across the region.

THE WALKWAY

Open year-round, The Walkway is a scenic 10-minute path connecting Bahrain International Circuit (BIC) General Parking to Beyon Al Dana Amphitheatre.

Whether attending an event or enjoying a daily stroll, this well-lit and accessible route offers a safe and relaxing outdoor experience. Along the way, visitors can stop at The Walkway Garden, featuring food vendors, merchandise, restrooms, and a chill-out area.

With a welcoming atmosphere, The Walkway is perfect for casual walks, fitness, or simply taking in the surroundings. More than just a path, it's a year-round destination for the community to enjoy.

THE DESERT GARDEN

The Desert Garden is a captivating, spacious, and fully customizable outdoor venue designed to leave you with a memorable experience.

Striking the perfect balance between the dramatic Sakhir desert skyline and lush greenery, this tranquil escape offers an unparalleled setting for live events under the stars. This versatile open-air space seamlessly adapts to your vision and provides the ultimate backdrop, perfect for a range of occasions.

THE ROOFTOP VIEW

Perched above Beyon Al Dana Amphitheatre, The Rooftop View offers sweeping panoramas of the Bahrain International Circuit and the surrounding desert landscape. First unveiled during the 2024 Formula 1 race weekend, this exclusive vantage point placed guests at the heart of the high-speed action.

Now reimagined as a premier event venue, The Rooftop View provides a striking setting for private celebrations, corporate gatherings, and exclusive occasions. With its refined atmosphere and spectacular views, this elevated space transforms every event into an unforgettable experience.

THE QUARRY

The Quarry is an upscale lounge and restaurant offering extended entertainment after each show, while also serving as a distinctive venue for corporate events. Open nightly as a lounge, it transforms during performances into an exclusive balcony experience.

Positioned between the main seating area and the corporate boxes, The Quarry's balconies offer premium views of Beyon Al Dana Amphitheatre. Guests can access the spaces via ramps, staircases, and elevators. The hospitality balcony is located on the left, with the private Quarry Lounge balcony on the right.

Each balcony accommodates up to 95 standing guests, providing a combined capacity of 190. Spanning 269.5 square metres, these sophisticated spaces offer an elevated setting for world-class entertainment.

TERMINAL 4 BY BEYON

Terminal 4 by Beyon is a versatile, climate-controlled indoor venue designed to host a wide range of events, from corporate gatherings and private functions to live entertainment, exhibitions and bespoke brand activations. With a capacity of up to 3,500 guests, the space offers flexible stage configurations and adaptable layouts to suit different event formats and production requirements. Complemented by on-site food and beverage options, Terminal 4 provides a dynamic setting for businesses, event organisers and brands seeking a distinctive venue for their next event in Bahrain.

- Purpose-built indoor venue
- Capacity: 3,500 guests (Approx)
- Designed for concerts, large-scale theatrical productions and more.

CORPORATE EVENTS

Beyon Al Dana Amphitheatre is a premier venue for corporate events, offering versatile spaces. Equipped with state-of-the-art AV systems, high-speed Wi-Fi, and customisable seating arrangements, it ensures a seamless experience for businesses.

The venue provides premium catering options, professional hospitality services, and private meeting rooms to enhance productivity and engagement. Its elegant ambience, convenient location, and ample parking make it an ideal choice for corporate functions, from small executive meetings to large-scale events.
